1	Top bar	Is the assistant online? Demo and reset buttons.
2	Progress steps	Where one booking is, from enquiry to refund.
3	Numbers	How the business is doing right now.
4	WhatsApp chat	What the customer sees on their phone.
5	Assistant log	What the assistant understood and did.
6	Fleet board	Every car: free, booked, out, or in repair.
7	Rentals register	All bookings in one list. Click one to open it.
8	Counter	Give keys, take the car back, settle the deposit.

A booking in 8 steps

#	Step	Who	In one line
1	Enquiry	Assistant	Customer says when, how many days, where to.
2	Quote	Assistant	Picks a free car and sends the price.
3	KYC	Assistant	Takes name, mobile and driving licence number.
4	Advance paid	Assistant	30% on UPI. Car is now blocked for them.
5	Handover	Your staff	Check papers and car, collect money, give keys.
6	On trip	Assistant	Sends "trip started" and a return reminder.
7	Return check	Your staff	Enter km, fuel, lateness, damage.
8	Deposit settled	System	Refund on UPI and receipt on WhatsApp.

In short: the assistant books. Your staff only work the **Counter** (steps 5 and 7).

1 Top bar

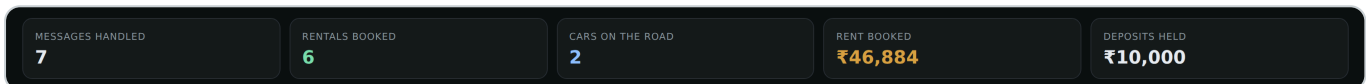

- **Green dot ONLINE** means customers are getting replies.
- **Play a full rental** shows a sample booking from start to end. Good for training staff.
- **Reset** clears the demo. Do not press it on the live desk.

2 Progress steps

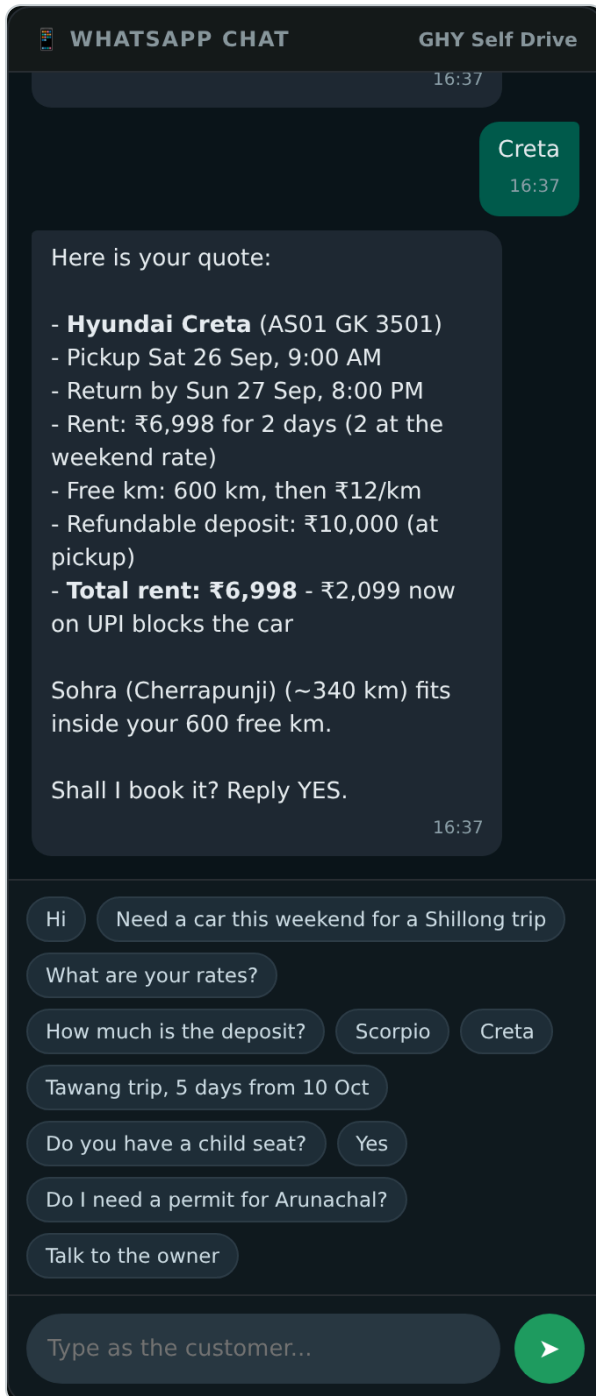

- Green tick = step done.
- Highlighted box = step happening now.
- Line below says which booking you are looking at.

3 Numbers

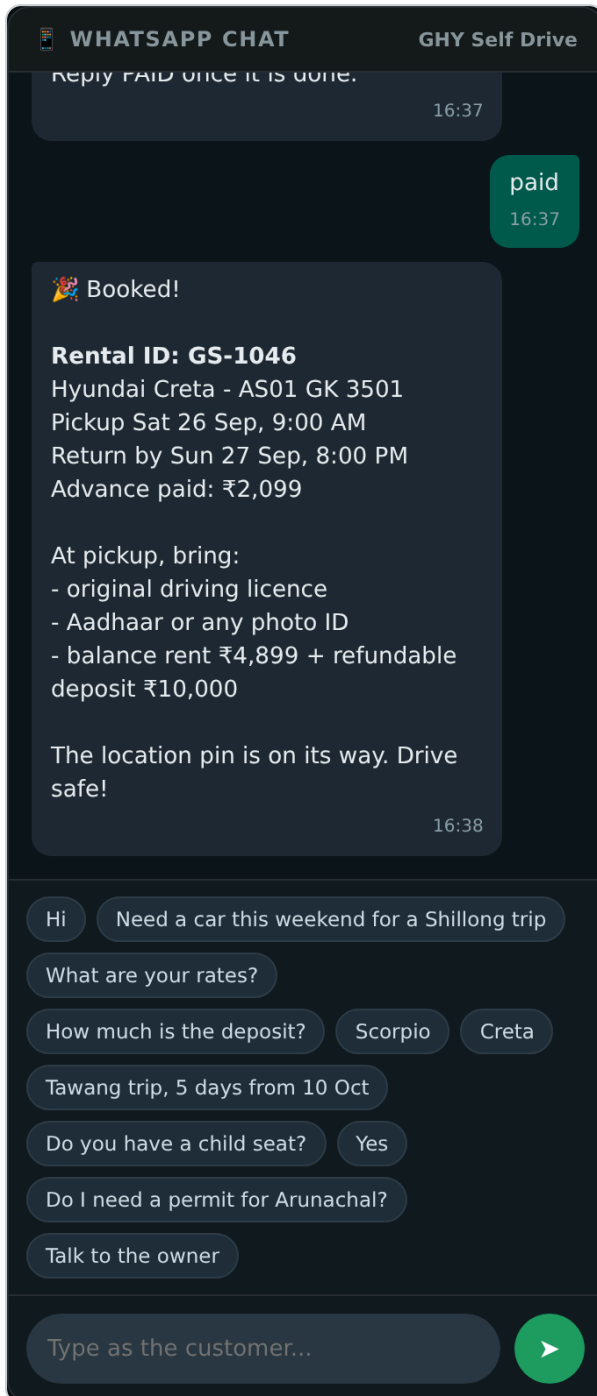

- **Messages handled:** chats the assistant answered for you.
- **Rentals booked:** bookings in the list.
- **Cars on the road:** cars out with customers now.
- **Rent booked:** total rent of all bookings.
- **Deposits held:** customer money you must return or settle.

4 WhatsApp chat

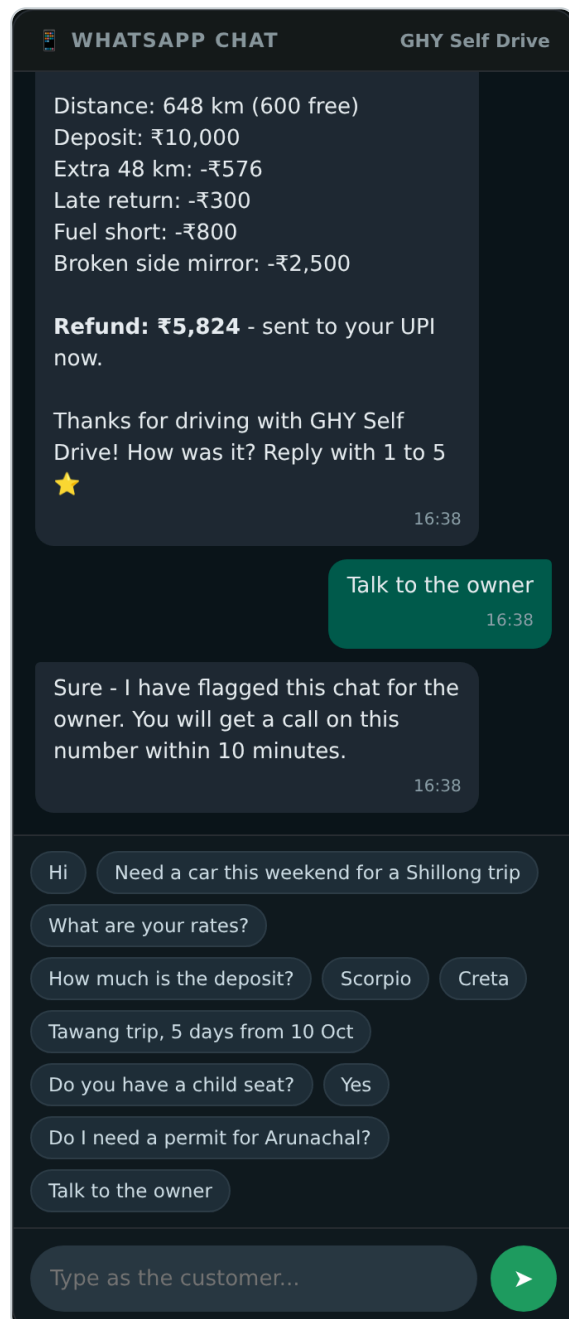

- Right side (green) = the customer.
- Left side (grey) = the assistant.
- It replies in about 1 second, day or night.
- It sends the quote: car, number plate, dates, rent, free km, deposit.
- If a car is full, it offers another free car.
- It answers common questions: deposit, fuel, km limit, child seat, licence, late return, Arunachal permit.
- Customer replies **YES** to book and **PAID** after paying.
- The round buttons are sample messages for testing.

4 · WhatsApp chat (booked, and "needs you")

- After payment, the customer gets a **Booking ID** (like GS-1046).
- It tells them what to bring and how much to pay at pickup.
- If the customer asks for a person, the assistant says you will call in 10 minutes.
- That chat shows as a red **Needs human** row in the register.
- **Call those customers first.**
